# Triple Threat Masterclass Series

Saturdays · SEP 19 · OCT 17 · NOV 14 · DEC 12

Studio 48 is proud to offer the chance to work with one of Broadway's Best! Rick Faugno's Triple Threat Masterclass Series will consist of 3-hour long Workshops in Broadway Singing, Dancing and Acting. With this acclaimed instructor, our students will learn first hand the skills needed to make it to the big stage!

**Rick Faugno** (Theatre and Dance Instructor) has performed across the country, from Carnegie Hall to the Kennedy Center, from the Chicago theater to San Francisco's Curran. He was recently seen in *Kiss Me Kate*, his 7th Broadway show, for which he was nominated for a Chita Rivera Award. He is also the recipient of a Fred Astaire Award, for *Roundabout's On The 20th Century*, and a Best Singer Award for the role of Frankie Valli, in the original Las Vegas production of *Jersey Boys*. Mr. Faugno will be visiting from NYC, until he joins Studio 48's faculty full-time in November.
